Mission Statement: The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

President's Message

Dear Mu Kappa Sisters,

We're back! We're going to be stronger than ever! Last year, we focused on **TEAMWORK** – we are one! I've very happy to say, we accomplished a lot! We indeed, go on a **Journey!** A Great Journey!

Welcome to a new biennium and another opportunity to experience being a member of a great organization for key women educators, Delta Kappa Gamma! The Society has much to offer its members.

I believe you just have to seek those opportunities, embrace them and move forward!

As members of Mu Kappa Chapter, you are an important part as we **SOAR to new heights** for tomorrow. As we begin a new biennium under the helm of *Bonnie Moore*, our new Texas State Organization President...we're going to **SOAR to new heights!** The theme for her biennium is:

Seek new members and opportunities

Open your heart, mind, and attitude

Act to serve and share

Reach to renew, respond, and relate

One of the main concerns continues to be Membership! President Bonnie Moore has issued a challenge: "It has been noted that if each member brought in **another** (1) member, DKG membership would double! While it is a lofty goal, we should all **Seek** new members and look for new opportunities for all members. With an **Open** heart, mind, and attitude we will find new ways to **Act** to serve and share. In order to grow as a chapter and individual we will need to **Reach** out to renew, respond, and relate to the many women educators right outside our doors ". So, I would like to piggyback on her statement, **if we could all ask just one person to join us.....Can you imagine the possibilities!!! Wow!**

Our first chapter meeting will be held September 9th and will be our planning meeting for our programs. The Executive Board had a very productive Zoom meeting a few weeks ago and now it's your turn to chime in. This is OUR chapter, each one of us has a voice, a vote and decides what we do! Programs are key to members attending meetings. So, come with your brilliant ideas and let's have a fantastic planning time. I also encourage you to share your talents! Consider doing a Program for us! There is so much talent in our chapter, so let's share it! I've missed you; I want to see you all at our meeting next Saturday! **Don't forget, bring a friend!**
